

Fighting blood clots  
through education

# 2024 NATF Right Heart Symposium: *Case Spotlight*

---

**Save the Date:**  
**October 7, 2024**  
**6:00-9:00 PM**  
Boston, MA

**The 2024 Right Heart Symposium: Case Spotlight** will utilize real-world patient cases to review and apply evidence-based best practices in diagnosing and treating pulmonary vascular disease and right ventricular dysfunction. This event will bring together healthcare professionals and scientists from varied disciplines, affording a unique opportunity to explore areas of mutual interest and collaboration.
